GENERATION PROMPTS & LYRICS:

[CLIP 01a START PROMPT]

Flicker the young fledgling rainbow dragon waking at dawn in a soft mossy nest, stretching small wings, scales a sleepy dim grey-blue.

[CLIP 01a END PROMPT]

Flicker sitting up in the mossy nest, blinking at the morning sun, tail flopping over, scales dim pastel grey.

Waveform visualization

GENERATION PROMPTS & LYRICS:

[SONG 01: Little Flicker] (sung)
Style Prompt: Gentle whimsical folk-pop, acoustic guitar, soft glockenspiel, warm children's-storybook morning feel, tender lead vocal, lightly orchestral

[Verse 1]
Dawn unfolds upon the mossy ground,
Leaves of amber drift without a sound.

00:00 / 02:53

GENERATION PROMPTS & LYRICS:

[CHARACTER: moonkeeper] (is_anthro: True)
A tall gentle anthropomorphic guardian figure standing upright on two legs, with soft rainbow-tufted fur in blues, purples, greens, and golds, standing at the edge of a moonlit forest clearing at dawn, seen from behind in soft peaceful silhouette, radiating a calm, protective warmth.
